ANNUAL DEVELOPMENT LEVY:

An annual development levy of R6 850 per student is charged in the first term. This levy is utilised for facilities capital expansion and campus enhancement and is not included in the tuition fees reflected above.

PLEASE NOTE:

- Kingsmead College fees are due and payable on the first day of each term.
- On application, with suitable motivation, the payment of fees on a monthly basis will be considered.
- Late payments/accounts in default will attract interest at prime plus 5% per annum.
- The College reserves the right to refuse re-admission of any student, to the following academic year, if fees due to the College are outstanding in respect of the year just completed. Such failure to settle school fees accounts comprises a material breach of the Parent Contract and may lead to invocation of clause 9.4.2 thereof, giving twenty days' notice to pay outstanding fees, failing which, the College may cancel the Parent Contract.

- A full term's notice must be given, in writing, to the Head of the School, prior to a student being withdrawn from the College. Withdrawal without a term's notice will result in a term's fees being charged in lieu of notice, in terms of clause 9.2 of the Parent Contract.

IEB EXAM FEES:

The tabulated fees set out above do not include fees payable to the Independent Examinations Board (IEB) for entry to National Senior Certificate examinations. You will be notified of the relevant fees once they are communicated to the College by the IEB. The costs as communicated will be debited to your school fees account. These fees may be paid in instalments on arrangement with the Accounts Department.
